Section 644:9

644:9 Violation of Privacy. –

V. Paragraphs I and II shall not be construed to impair or limit any otherwise lawful activities of law enforcement personnel, nor are paragraphs I and II intended to limit employees of governmental agencies or other entities, public or private, who, in the course and scope of their employment *and supported by articulable suspicion, attempt to capture any type of visual image, sound recording*, or other physical impression of a person during an investigation, surveillance, or monitoring of conduct to obtain evidence of suspected illegal activity, the suspected violation of any administrative rule or regulation, a suspected fraudulent insurance claim, or any other suspected fraudulent conduct or activity involving a violation of law, or pattern of business practices adversely affecting the public health or safety. (GB's note: [I recorded them threatening to kill me](#) for exposing the violation of structural codes, building codes, safety codes and fire codes on a school. They stole the millions appropriated for these legally required structural code upgrades and did not do the work. The recordings are perfectly legal.)
