GB’s truck engine is running.....Engine is shut off. Seeing JJ drive up, GB sets the parking brake on his truck and gets out to greet JJ. GB gets out of truck and shuts door.

The beep, beep, beep of JJs car can be heard as he exits his car with the keys still in the ignition.

JJ: You got it?

(JJ is referring to the letter promising not to speak out against Kerry Steckowych that he demanded from GB earlier that morning on the phone.)

GB: Let’s sit in my truck. I got a nice flat writing surface there and I can word it the way that you want it.

JJ: OK. Write on here if you want.

GB: Well.

Buzzer of truck door can be heard as GB retrieves his writing pad from truck.

JJ: Pen it out to Janigan Associates, Inc. cause it’s not to you. And....

Pen striking on the hood of the car as Gerard Beloin is following the dictation of the letter by John Janigan.

JJ: Take your time. Now that we’re this late..... (Inaudible) I’m Sorry if I yelled at you, but,

(the yelling JJ is referring to are the abusive death threats made to GB on the phone earlier that morning)

GB: Well John you know.....

JJ: I can't help it. I'm fed up to here.....

GB: I want to work

JJ: trying to help you guys and you're the only one that's bothering me with problems.

GB: Well, You know...

JJ: Attention Att. John Janigan.

Pen striking hood of the car.

GB: Alright. Uh...

JJ: 15 Factory Street. Now is it easier if you write up here? Inaudible..... The car is lower than I thought.
03045

GB: 030. That's right. 030. Alright. Um. It doesn't need to be long.

JJ: Just say ah. Gentlemen. That's it.

GB: Gennntleemen

JJ: Colon and then dopwn here you start your, you're ah..... I don't know how to phrase this thing. It's just that I want you to make me feel comfortable that you're not going to chase Kerry anymore. Now how do we do that before you write it down?

GB: We'll go and.

JJ: This is.... This is my written..... How about this?? This is my written.....ummmm, whatpromise? Is my written promise? No don't write it down just think about it. You might have a better way of saying it. This my written promise that.....

GB: I will no longer pursue...Ahhh Kerry Steckowych..... Ummmm.

JJ: I will no longer.....ummmm....ummm.

GB: How about this??

JJ: See this is good on the end of it. No more verbal or written attacks on the character and ability of Kerry. But what would you put ahead of that?

GB: Well. In exchange for ahh.....

JJ: No. No. That's the tail end. That's the tail end. I'm talking about the beginning. How did you start out? This is my written promise?

GB: Yea. This is my written promise. I think that's.....

JJ: Wait awhile. Let's see.

GB: You know what, I can fire up the computer inside then we can use the word processor.

JJ: No. I don't care. This is my written promise there will no longer.

GB: Hey. I got another piece of paper and we can hack around on it. Do you have another piece of paper?

7. In the segment titled 12-13-2004 – “Worry about somebody shooting you,” Defendant and Mr. Janigan, agent for Prosecutor Steckowych, the State and other Goffstown Officials, are discussing the illegal evictions, death threats and arson fire.....

8. GB: I'm wondering if they're sending a signal or (this is) just a coincidence.

9. JJ: No. They're....

10. GB: ...sending a signal?

11. JJ: They're worried now. This (letter promising never to speak out against Kerry Steckowych) will **take that heat off of you** and you won't have to **worry about somebody shooting you some night**. It's to your benefit, I'm telling you. These guys..., we may be a small town but we can think of some small towns where there are 5 or 8 hundred people and things like this happen where **they shoot them**. You got 18,000 here!

12. GB: Well, Dr. Hieber. He knew everything.

13. JJ: He knew what was going on and they said we better **get rid of him**.

14. In the segment titled 12-13-2004 – Police extortion through your landlord, Mr. Janigan, agent for Prosecutor Steckowych, the State and other Goffstown Officials is dictating the letter he is extorting from the Defendant.

15. GB: Do I need to put it to **Kerry Steckowych** or Gentlemen?

16. JJ: No. Gentlemen, that's all.

17. GB: This is my written **promise**.

18. JJ: As of above date.

19. GB: Yeah. Why don't you read it to me, as of above date that I will no longer....

20. JJ: No, wait a while, I'm just thinking, how about something to ah...

21. GB: I will no longer make, instead of saying cause myself. I will **no longer make any written or verbal statements**. Why would you want to put cause myself for? I **will no longer make any verbal**....

22. JJ: Except, I'm thinking about the past that I want to discount all that I've..., anything that I might have said

that hurts him. I want him to realize that I want you to be completely free of his... whatever???

1. **GB:** He can't do anything to me. I can do something to him.
2. **JJ:** Oh, they can get at you. He is getting at you now through your landlord. Next thing they can do is set up all kinds of barriers to watch for your car coming into Goffstown where they can grab you... and when they grab you, I'm sorry to have to tell you, they (will) treat you like a criminal.
3. **GB:** I've done nothing wrong...so.
4. **JJ:** No, they can dream it up that you didn't stop when they told you stop.... whatever???
5. **GB:** That's extortion John!!
6. **JJ:** I know. That's why I'm trying to protect you by having him (Steckowych) stop chasing you because your precious body, your precious moments of this life on earth are more important (than) the few advantages you're going to create for other people. (By running for political office)

In the segment titled 12-13-2004 – “Send the Goffstown Fire Dept to burn you out.” Mr. Janigan, agent for Prosecutor Steckowych, the State and other Goffstown Officials is continuing the dictation of the letter he is extorting from me.

GB: For the courtesy of.

JJ: You've got one more sentence to go I think.

GB: OK, for keeping this promise (never to speak out against Kerry Steckowych) you will do me the courtesy of delaying....

JJ: The eviction you have given me.....

GB: until.....

JJ: Now. What's the negative part of it? What if you don't keep the promise (never to speak out against Kerry Steckowych), we need to get that in.

JJ: and **GB:** Inaudable.

JJ: (Proof reading the letter.) “For keeping this promise,(never to speak out against Kerry Steckowych) you will do me the courtesy of delaying this eviction notice until early spring 2005. Ahh.....Now, what if you don't keep that promise (never to speak out against Kerry Steckowych)? We have to put something in there.

GB: We will send the Goffstown Fire Department to burn you out! Laughter..... Finish the job they started! Laughter.....

JJ: Laughter..... If you break this promise, (never to speak out against Kerry Steckowych) I'll have to evict you immediately. How's that?

GB: (with sound in the background of the pen striking the hood of the car as GB writes) If you break if.....

JJ: Coma.

GB: Yeah, but, see if I break this promise (never to speak out against Kerry Steckowych). This is my...If I break that promise (never to speak out against Kerry Steckowych).

JJ: Ohh. Good for you. Yeah.

GB: If I break this promise (never to speak out against Kerry Steckowych).

JJ: You can, you will evict me. You will.

GB: If I break this promise (never to speak out against Kerry Steckowych). you will.....

1.**JJ:** have me evicted immediately.

2.**GB:** You will....

3.**JJ:** have me evicted immediately. (sound in the background is of pen striking roof of car)

4.**GB:** Alright. That will...

5. **JJ:** It sounds as if after that you might start talking against him (Steckowych) that's the only mistake we made. We are tying this to the eviction which is only a few months away. Uh... however...let's stick to this. However..... uh.....I guarantee that the promise (never to speak out against Kerry Steckowych). will last..... forever or something like that. However. See, that takes it away from the eviction period.

6. **GB:** For keeping this promise promise (never to speak out against Kerry Steckowych). .

7. **JJ:** Yeah.

8. **GB:** How about doing this. For keeping this promise (never to speak out against Kerry Steckowych)..... yeah I think it says it in there. For keeping this promise (never to speak out against Kerry Steckowych). you will do me the courtesy of delaying the eviction notice you have given me until early spring 2005. I think.....

9. **JJ:** But if you don't keep the promise (never to speak out against Kerry Steckowych), you will have me evicted immediately.

10. **GB:** For keeping this promise (never to speak out against Kerry Steckowych). Well.... see there... see there...I don't think you need to put that in there because for keeping this.... I'm basically letting Steckowych off the hook for you giving me about 6 months rent, or 3 months. 3 months rent.

11. **JJ:** Yeah, but he's gonna wonder what are you going to do after that, start jumping on me again. What makes.... **GB:** Yeah but. This is my promise. What...what about this. This is my written promise as of the above date that I will no longer make any verbal or written attacks as I have done in the past on the character and ability of Kerry Steckowych....uh.... for how long of a period. For.....until the statute of limitations expires! Laughter.....

12. **JJ:** Yeah. That's a good point. We can put it up here!

13. In the segment titled 12-13-2004 – “Bombs with gas in it”, Mr. Janigan, agent for Prosecutor Steckowych, the State and other Goffstown Officials is describing how “these guys” go about poisoning whistleblowers.

14. John Janigan: “Now were there any bombs, little, something about this size in the house left behind? They have bombs with gas in it. They throw them through windows if they can’t get in.”

Mr. Janigan, in another conversation goes on to describe how “They use the emergency rooms of local hospitals to finish off the target after they **sicken** them. They are **sickened** at a time that their emergency room Doctor is on duty. When the **target** arrives by ambulance, they finish off the **target** by administering a **shot** of potassium salt that **stops the heart** and leaves no trace. So instead of having the standard **murder** investigation of a person **dying** unexpectedly and **mysteriously** in their homes, they have a **wrongful death** lawsuit filed against the hospital where lawyers reap the benefits of the litigation.”

In the segment titled 03-14-2005 – Meeting with John Janigan to discuss eviction – 9:58am, Mr. Janigan, agent for **Prosecutor Steckowych, is in effect saying that **a contract hit is now out on the Defendant by Prosecutor Steckowych**, an agent for the State and other Goffstown Officials, for renegeing on the promises made in the **letter extorted out of the Defendant on 12-13-2004**.**

GB: Your saying that uh...that uh..... your being used by the Zoning Board. You want what you want and they know and they are using you to abuse me. And that’s **extortion** John. And uh...you know.

JJ: What...what do you mean by the Zoning Board? I don’t follow.

GB: Well, you told me that the reason why you’re putting the pressure on me is because they won’t give you your easements and your ah, zoning variances in order to get your property developed.

JJ: Oh no that’s somebody else. If the buyers, uh, go ahead you know, then they do those things. But my point is you had written you weren’t going to go after **Kerry** anymore. Now, I understand you have?

GB: How did you find out?

JJ: Never mind asking me questions. You get to answer me so that I know what you’re doing and I know wether to.....If you’ve broken our agreement then you have no reason to get annoyed at me for **moving ahead. (with the hit contract)**. See you’re failing to remember that.

GB: But you **extorted** that letter out of me and I have just had a change of heart. So now you’re going to **evict** me?? You know. I don’t know.

JJ: Is it worth what you’re doing first? Have asked yourself that question?

GB: Yes.

GB: and **JJ:** Laughter.

JJ: At the expense of your own future and your own company and so forth. I don’t understand.

GB: Well,..... I’m doing the right thing. It’s not always easy doing the right thing.

In this recording titled 2006-06-09 - Motion to dismiss with prejudice - “Granted” Judge James Barry Jr. dismisses the case against Gerard Beloin with prejudice. This means that it can never be reinstated.

The Court: Good morning. Why don’t you set up.

Ms. Werme: Good morning. I guess the first order of business is move to dismiss because I don't think attorney....there's an attorney from the State Attorney or Merrimack County Attorney. **With prejudice.**

The Court: Pardon me?

Ms. Werme: **With prejudice.**

The Court: You've withdrawn this morning and I granted --

Ms. Werme: I'm sorry?

The Court: You withdrew.

Ms. Werme: Actually, your Honor, you told me to file a motion to withdraw.

The Court: And I granted it.

Ms. Werme: I don't know that it's been granted. There are two motions to withdraw, but I can't appear -- I can't walk out until I know it's been granted, and I can't, um.

The Court: It has been granted, but I'll allow you to remain until the decision on your motion to dismiss.

Ms. Werme: That's fine, your Honor. I don't-- I think we were talking about the new rules on the limited appearances, and my client --

The Court: I don't believe they take effect until July 1st, do they?

Ms. Werme: Oh, okay. Well, if they don't take effect until July 1st then I won't worry about it.

The Court: But I may be wrong. (Pause)

The Clerk: Your Honor, did you want me to see if Attorney Robinson

The Court: What?

The Clerk: I wanted to make sure that the notice was sent to Attorney --

The Court: All right.

The Clerk: Excuse me, today's hearing. John Weld. Do you want me to make a call, or not?

The Court: No. All right, State having failed to appear for hearing, the defendant's motion to dismiss is granted.

Ms. Werme: Thank you. **With prejudice?**

The Court: **Granted**

GB: Thank you, your Honor.

(Whereupon, the proceedings were concluded.)

In this recording titled [05-04-2007 - Falsifying court records, Judge James Barry Jr. denies ever dismissing the charges against Gerard Beloin “with prejudice”](#).

GB: And ah you already dismissed the case once with prejudice.

Judge Barry: I did not dismiss it with prejudice.

GB: According to the court records yes. So I’m putting in there falsification of court records. Whether you falsified them or not, you signed the paperwork. It was dismissed with prejudice. I have the recording and I have the transcripts. It’s very clear.

In this recording titled [05-04-2007 - Admission of Default](#), the State admits to defaulting for the 8th time.

Prosecutor Ouellet: Your Honor, while Mr. Beloin is looking up his information on the computer I would just point out for the record that Superior court rule 58 does not provide for [the motion to which no objection is filed within 10 days](#) may be magisterially granted requires that a trial judge decide whether or not to grant the motion only after having considered the law and pleadings before the court. And that’s pursuant to the ruling and again the Spenstra 130 NH 411 1988.

GB: Your Honor she just admitted that she defaulted. She is just asking you to grant her one more default. This is the 8th time.

In this recording titled [05-04-2007 – “I’m not going to listen to the recordings.”](#) Judge James Barry Jr. refuses to listen to the recordings and then, at a later date, orders that I be psychologically evaluated for presenting these recordings and a copy of these transcripts as evidence in my motions to dismiss.

GB: Let them bring it on. They are not going to win this in front of a jury. All this is, is harassment.

Judge Barry: Alright. Are we finished with the motion to dismiss?

GB: Well I would like to play the recordings.

Judge Barry: I’m not going to listen to the recordings!

In this recording titled [Informant #4 - “He’s talking about chumming people”](#) these recordings are of how “these guys”, agents for the state, take care of whistle-blowers by dismembering them, cutting them up into little pieces and then feeding them to the fish in the Atlantic Ocean. This recording was made sometime between December 2004 and November 2008. The exact date is known but not being disclosed at this time.

1. [This specific recording describes how members of organized crime, masquerading as law enforcement officers and politicians](#), have put together an organization by which they dispose of people who dare to exercise their 1st amendment rights by speaking out against corrupt law enforcement officers and corrupt politicians. “Making people disappear like Jimmy Hoffa.” They are acting as if this has never happened before and can never happen here in NH.

2. The State and Judge Barry have been in possession of this recording and numerous others for several years. No one in authority has questioned the authenticity of these recordings. [Despite repeated requests by two of our NH State Representatives for the NH Attorney Generals Office to investigate](#), no one from the State has ever requested an interview with me to try to verify the veracity of these gruesome allegations. Instead, [Judge James Barry Jr. has ordered my competency to be evaluated](#). His insinuation is that I’m making this up. If I were making this up I would be guilty of multiple felonies and would be facing life in prison. If I am making it up as Judge Barry is insinuating, why don’t they pursue those

charges against me??

3. **Informant:** "He's talking about he's got a buddy out in the f***in boat in Gloucester. He's got a big 100 ft. f***ing fishing boat. He's talking about chumming people. He don't give a f**k. He's just the guy to do it man. I know his family. They're all crazy and they want a shot at whatever is going on so."
4. **GB:** "Why did he run in the first place?"
5. **Informant:** "He knows. Something happened. He knows something. And. Basically he's being threatened."
6. **GB:** "Threatened to kill him."
7. **Informant:** "He went somewhere to Jersey, I guess, to see some family members. He said, I guess they're politicians and they're, they're Italian. They basically said. Somebody bothers you, we have people that take care of that."
8. **GB:** "They're politicians??"
9. **Informant:** "Go back home. Go back home. You let us know what happens. Spread the word that"
.....
10. **Informant:** Goes on to name politicians....
